Any breeder or firm which presents animals or articles for official placing by a judge at the time specified for judging.
33. **Breeding Unit:**
In each classification where the same or common interests are involved in more than one breeding operation, such operations are considered as one **Breeding unit**. In all cases where there is any doubt that more than one breeding unit exists, the interpretation shall be that only one breeding unit exists. The responsibility of proof of separation of breeding units shall rest with the exhibitors.

In all cases where they do not think the exhibit worthy, they can withhold the premium. Judges shall in no case award a prize unless they consider the exhibit worthy of such a premium.
7. Ownership of an exhibit shall not be in evidence during judging.
8. Any person not authorized to do so; conversing with the judge while on duty or otherwise interfering will forfeit any right he may have for a prize. It shall be the duty of the judge to report to the administration, on hand in the books, any infringement of the rule.
